Women United is a global force of more than 70,000 women dedicate to creating a world of opportunity – for everyone.

In LaPorte County, we are a group of philanthropic leaders dedicated to making a lasting difference in our local community. Our local chapter is a vibrant, diverse and regional force of women leaders helping to mobilize the caring power of women in LaPorte County to advance the common good and eliminate generational poverty.

We hope you will join us on March 15 for our annual **Power of the Purse** and continue the fight to end generational poverty in LaPorte County.

For more information about Women United and how you can join, please contact Executive Director Kris Pate at kris@unitedwaylpc.org or (219) 210-3534.
